Importance: High

Cynthia – I work in the Region 3 press office and I am trying to get a response for this reporter from a Charleston TV station, but I am not really sure what she is talking about. I think this email was originally

supposed to be sent to you. Check out the email and let me know if you can help us develop a response. Please copy Bonnie Smith on your response. Thanks. – Roy

Subject: SOP for crude MCHM

Hey Lora and Cynthia,

My name is Alanna and I'm a reporter for WOWK in Charleston. I am hoping to ask about an SOP conducted by Raj Singhvi for 4-MCHM in late January. What is the purpose for a SOP method and what were the results of this endeavor?

Please give me a call back at your soonest convenience. Thanks. My deadline is at 2;30.
